If you cannot attend, it is important to send in your proxy to allow the General Assembly meeting to reach a quorum and finish its yearly business. Time is short so please send email to [caracolassociation@gmail.com](mailto:caracolassociation@gmail.com). Include in the body of the email:

“Yes, I authorize that at the February 4th, 2021 General Assembly the Board of Directors and the President may vote my proxy” Please include your lot number.

Our signature project for 2021 will be beautiful new street signs throughout the Caracol! Over the next few months, 18 signs with street names, house numbers, and Caracol logo, will be constructed and installed. The signs are made of concrete for durability and will include nighttime lighting. A lot of volunteer time has been put into this project and the structures are paid for through HOA maintenance fees. We have hired Cesar Leyva to pour and install the forms. We will need a small team of volunteers to do some painting. The Caracol is spruced up for the New Year! The front entry bougainvillea's are trimmed and the cactuses, that used to be babies, are grown up! All weed pre-emergent and irrigation needs have been completed. New plants surround the Pila and the palms are trimmed
